

APRIL NEWSLETTER

In March, Honest Wrenches had a productive month, starting with their attendance at Vision Hightech Training & Expo where they were honored with several awards. Their CEO, Travis, was awarded the Member of the Year for his outstanding leadership and support towards other shop owners and members all over the country. Additionally, Honest Wrenches received the Social Media Engagement of the Year award, which was a result of their collaboration with Nexus 6.

Moving into April, Honest Wrenches is excited to kick off National Car Care Month, a time to remind people of the importance of maintaining their vehicles for safety and reliability. Basic maintenance checks like fluids, alignment, oil change, and spring cleaning of the interior and exterior of the car are essential to ensure its optimal performance. With spring finally here, people are encouraged to enjoy the outdoors, and Honest Wrenches is here to take the hassle out of car service and repair by offering vehicle pickup, service, and repair, and delivery back to their clients' homes. Customers are invited to contact Honest Wrenches and experience the exceptional service that they provide.
