

MARCH NEWSLETTER

This month our team will be taking some time away from the shop and going to our annual training event at Vision High Tech Training & Expo in Overland Park Kansas. Travis, one of our owners, is on the board of this amazing event which host's shops from all over the country, Canada, and a few other countries. We are extremely excited to have this opportunity so close to us and the caliber of trainers allows us to get the training and resources that we need to ensure that we keep up with the technology of today's highly complex vehicles. Training ranges from Leadership, Ownership, Technical Training, Service Advisor Training, and more! Combined we will have completed over 325 hours of training with our team in just 4 days!

Four Wheel Alignment

It's important to have your vehicle aligned at least once per year. This can increase the life of your tires and keep your vehicle pointing down the road in the right direction! As we come out of the winter season, now is a great time to get your vehicle aligned and ready for the spring and summer months ahead!

FEBRUARY REFRESH

City View Best Local Auto Shop!

We are so thrilled to announce that we have been awarded the title of Best Local Auto Shop by Cityview Magazine—and that's all thanks to our amazing clients. We were up against some other great local shops, and knowing that we are your choice is a huge honor. Thank you for recognizing our efforts to deliver you service how it should be!

Leadership Training

Keeping our team learning and growing is a huge priority for Honest Wrenches. We never stop developing our skills, so we took some time away last February for some leadership training through MWACA Midwest Auto Care Alliance. The training was presented by Geoff Berman from ATI Automotive Training Institute..

Kid's Corner

Our Lil' Wrenches were a great help last month. Travis' daughter, Maci, and her friend, Ava, lent a hand in clearing snow from our parking lots to make sure you can come in to visit us! They did a fantastic job, even though it was hard and chilly work! We also went on a Go Kart outing, and the kiddos who joined us were fantastic at pushing us and having some friendly competition. Thanks for helping us in all of your different ways!

SPOTLIGHT

CONGRATS, LARRY KENWORTHY!

We have a very special spotlight this month. March 4th is Larry's 10-year work anniversary here at Honest Wrenches, so we want to make sure he gets all the attention and celebration he deserves. He's been with us since the beginning and has been pivotal in our growth as people, as automotive professionals, and as a business as a whole. When he's not helping out at the shop, Larry loves RC cars, D&D, relaxing with his cats, and he wants to visit all the state parks!

Happy Workiversary!
