

# OCTOBER NEWSLETTER

October is Breast Cancer Awareness Month, and we're proud to support a cause that is local to us: Bras for a Cause, a local organization here in Iowa that works tirelessly to support breast cancer survivors and raise awareness.

This month you can receive free brake pads when you purchase rotors and labor, no tricks, just treats! But that's not all... To show our support, we're donating an additional 10% of all brake-related sales this month to Bras for a Cause. We have already donated \$2,500 and we would love to double that, but we need your help!

So, while you're making sure your car is safe for all your fall adventures, you'll also be helping to make a difference in the lives of those battling breast cancer. It's a win-win for everyone—especially our community!
