October at Honest Wrenches: Safety, Support & Seasonal Care

Fall is here, and as the leaves change, it's a great reminder to prepare your vehicle for the colder months ahead. From batteries and brakes to washer fluid and wiper blades, now is the perfect time to make sure your car is ready for Iowa's winter weather.

October is recognized as Fall Car Care Month, making it the perfect time to give your vehicle the attention it needs before winter sets in. A little preventative maintenance now, like checking your tires, testing your battery, and topping off fluids, can save you from unexpected breakdowns when the temperatures drop. Taking care of your vehicle today ensures safer, more reliable driving all season long.

From all of us at Honest Wrenches, thank you for trusting us with your vehicle and allowing us to be part of this community. Stay safe, enjoy the season, and don't forget to schedule your fall vehicle checkup!
