Drumroll, please! Congratulations to Aaron for winning our pumpkin decorating contest, and to Stacy for being a very close runner-up! Fantastic job, both of you!

TRUNK OR TREATS

We had such a great time at the Uptown Ankeny Trunk or Treat event! So many kids, so many prizes, and endless fun. We can't wait for next year!

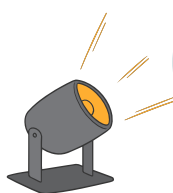

TREAD CAREFULLY THIS WINTER

As we head into winter, tire traction becomes more important than ever. Most tires should be replaced at 3/32", but once they reach 4/32" or less, you've already lost a significant amount of traction — especially on wet or snowy roads. Stay safe this season by ensuring your tires have the grip you need to get through winter with confidence.
