🎄 Thank You for an Amazing Year — Celebrating 14 Years of Honest Wrenches

As 2025 comes to a close, we can't help but pause and reflect on how truly grateful we are for you — our incredible customers, friends, and community. This year marks 14 years in business, and from the bottom of our hearts, we want to say thank you.

What started as a dream between two DMACC college graduates has grown into something far beyond what we ever imagined. From our very first repair to where we are today, your trust, loyalty, and support have made all of it possible. Every visit, every referral, every word of encouragement — they've all helped shape Honest Wrenches into what it is today: a locally owned, locally grown business built on honesty, integrity, and care.

We're proud to call the Des Moines Metro home and to serve such an amazing community. Every time you choose Honest Wrenches, you're supporting local jobs, local families, and a team that genuinely cares about doing things the right way.

As we look forward to 2026, we're excited for what's ahead — continuing to grow, improve, and serve you with the same heart that got us started all those years ago. From all of us at Honest Wrenches, thank you for 14 incredible years and for being such a big part of our journey.
